

Nottingham Country Pool Layout

Nottingham Country Swim Team at 20201 Kingsland Blvd, Katy 77450

Approach the pool from the west, enter the small parking lot off Kingsland Blvd on the west side of the pool. You may then drive from the small lot into the vacant field (if dry) on west side for parking.

Walk to west side pool entrance. (Visitors' side). If you have a lot of gear, drop off gear at one of two points:

- a) Kingsland, enter the small lot just west of the pool (closer to Visitors' side), or
- b) Houghton Rd, enter the small lot just south of the pool (closer to Home side)

Spaces for Key People for both teams are reserved in the Kingsland lot. Other spots are available on a first come... Some parking on street ok.
